

NIGERIAN AGIP OIL COMPANY LIMITED
Operator of the NNPC/NAOC/Oando Joint Venture

ADVERT FOR TENDER OPPORTUNITY
EVACUATION, TREATMENT AND DISPOSAL OF WEATHERED OIL/SLUDGE SERVICES
FOR NAOC JV LAND/SWAMP OPERATIONS
TENDER NUMBER 3100138

1.0 INTRODUCTION

Nigerian Agip Oil Company Limited (NAOC), on behalf of NNPC/NAOC/Oando Joint Venture, invites interested Companies (Applicants) for this tender Opportunity for the provision of the Services listed under "Scope of Work/Services Requirement" which will be carried out in respect of NNPC/NAOC/Oando Joint venture 2014/2016 operations for Swamp and Land areas in Nigeria. Availability to commence provision of Services is required for an anticipated Commencement Date: 3rd Quarter 2014.

Note: This advertisement is for three (3) separate and distinct Tenders (a, b, c,) listed below. Therefore, interested tenderers must be prequalified in the respective QJS product/services category for each service.

2.0 SCOPE OF WORK/SERVICE REQUIREMENT

The Scope of Work duration shall be for two (2) years plus one (1) year optional extension.

Evacuation, Treatment and Disposal of weathered oil/sludge (Product/Service Category 3.15.07 Waste Management Services)

The services to be provided consist of but not limited to the following:

- Mobilization:** Contractor shall mobilize relevant personnel and equipment to site for the purpose of executing the service.
- Evacuation/Transportation:** Contractor shall evacuate weathered oil/sludge and use vacuum truck(s) where applicable to evacuate the sludge from the waste pit into tanks/skips on the barge or tanker and transport the weathered oil/sludge to Contractor's site for treatment and disposal.
- Treatment:** Contractor shall treat the weathered oil/sludge using Incinerator.
- Post treatment Analysis:** Contractor shall carry out post treatment analysis on the residue using approved laboratories and analysis reports submitted. This is to ensure that the residue meets regulatory requirements prior to disposal.
- Disposal:** Residue confirmed by analysis to meet regulatory requirement shall be disposed by method in compliance with statutory requirement and approved by the Company/Regulators at the Contractor's approved site.
- General:** All jobs to be executed within this scope shall be carried out in full compliance with DPR and FME Regulations.

3.0 MANDATORY REQUIREMENTS

- To be eligible for this tender opportunities, interested Contractors are required to be pre-qualified in the following Product/Services: 3.15.07 Waste Management Services – For Sludge treatment Services in NipeX Joint Qualification System (NJQS) database.
